

Second Edition

# EUROPEAN COURSE ON TOXICOLOGIC PATHOLOGY

Organized by The D.E.S.V. in Veterinary Pathology

In partnership with:

The Society of Toxicologic Pathology  
& The French Society of Veterinary Pathology

VETERINARY SCHOOL OF NANTES (FRANCE)  
APRIL 23–27, 2007

## PROGRAM

### Monday

- |             |   |
|-------------|---|
| 08h30–09h15 | Registration  |
| 09h15–09h30 | Introducing Remarks   |
| 09h30–10h30 | The Regulatory Environment of Toxicological Studies<br>Jeffery ENGELHARDT, Amgen, CA (USA)    |
| 11h00–13h00 | Metabolism of Xenobiotics<br>Antoine DESLANDES, Sanofi-Aventis, Paris (France)                |
| 14h30–16h30 | Interpretation of Toxicology Results & Risk Assessment<br>Jeffery ENGELHARDT, Amgen, CA (USA) |
| 17h00–18h00 | Drug Toxicity Profiles: (Topic to be determined)  |

### Tuesday

- |             |   |
|-------------|---|
| 09h00–10h30 | Pathology of the Liver<br>Shashi K. RAMAIAH, Texas A&M University, TX (USA)                       |
| 11h00–12h30 | Pathology of the Liver ( <i>continued</i> )<br>Shashi K. RAMAIAH, Texas A&M University, TX (USA)  |
| 14h00–15h30 | Evaluation of Drug-Induced Immunotoxicity<br>Patrick HALEY, Incyte, DE (USA)                      |
| 16h00–17h30 | Evaluation of Drug-Induced Immunotoxicity ( <i>continued</i> )<br>Patrick HALEY, Incyte, DE (USA) |
| 17h30–18h30 | Drug Toxicity Profiles: Nucleoside Analogs<br>Jeffery ENGELHARDT, Amgen, CA (USA)                 |

Second Edition

---

### Wednesday

- 09h00–10h30      Inhalation Toxicity Studies  
Martin ROSENBRUCH, Bayer HealthCare AG, Wuppertal (Germany)
- 11h00–12h00      Inhalation Toxicity Studies (*continued*)  
Martin ROSENBRUCH, Bayer HealthCare AG, Wuppertal (Germany)
- 13h30–15h30      Molecular Biology New Tools For the Toxicological Pathologist  
Shashi K. RAMAIAH, Texas A&M University, TX (USA)
- 16h00–18h00      Evaluation of Vaccine Safety  
François VERDIER, Sanofi-Pasteur, Lyon (France)

*Course dinner*

---

### Thursday

- 09h00–11h00      Toxicologic Pathology of the Male Reproductive System  
Dianne CREASY, Huntingdon Life Sciences, NJ (USA)
- 11h30–12h30      Drug-Induced Cardiac & Vascular Injury: Pathogenesis & Potential Biomarkers  
Heath THOMAS, GlaxoSmithKline, PA (USA)
- 14h00–16h00      Drug-Induced Cardiac & Vascular Injury: Pathogenesis and Potential Biomarkers (*continued*)  
Heath THOMAS, GlaxoSmithKline, PA (USA)
- 16h30–18h00      Toxicologic Pathology of the Female Reproductive System  
Dianne CREASY, Huntingdon Life Sciences, NJ (USA)

---

### Friday

- 09h00–10h30      Case studies  
Philippe DETILLEUX, Sanofi-Aventis, Paris (France)
- 11h00–12h00      Case studies (*continued*)  
Philippe DETILLEUX, Sanofi-Aventis, Paris (France)
